A Letter from Joe Carrion 2022 Classic Officer

Welcome to the 2022 Lone Star Corvette Classic

It's June and time to celebrate the 32nd Annual Lone Star Classic. The Lone Star Corvette Club is also celebrating our 40th Anniversary! The number one goal is for all participants to have a fun filled event and enjoy the company of fellow Corvette owners. This year we will be raising funds for the following charities, The National Corvette Museum, Texas Fallen PD, Mission 22 & Speedway Children's Charities.

Once again, we have attendees from several states and I welcome you all to our event. I would like to thank our club sponsors: Classic Fleet at Classic Chevrolet, Corvette World of Dallas, National Corvette Museum, Corvette Corner, LG Motorsports, My Cake Creations, Merchants & Industrial Security, BBV LLC., DMS Corvette Shop, and MCM Insurance agency for all of their support that make the Classic possible.

As the 2022 Classic Officer, I want to give special thanks to the Classic Board, Coordinators and Volunteers for making this a great event. I appreciate all of your time and effort as we navigated through many obstacles and changes to make this event possible.

I hope you enjoy our two-day Corvette Classic and we at the Lone Star Corvette Club thank you for your support and we look forward to seeing you next year at our 33rd annual Lone Star Corvette Classic. Phil & Karen Metcalf are the 2023 Classic Officers.

Laps on the Oval Track

Friday June 10th

Laps on the Oval Track

One of the highlights of the Lone Star Corvette Classic is driving on the Texas Motor Speedway Oval Course in your Corvette. We're privileged to be able to drive on the same track as the NASCAR and IRL greats, but there are a few rules **SET BY TRACK OFFICIALS** that **MUST** be followed. Failure to comply with TMS rules could result in our losing access to track.

1. Use of Seat Belts is mandatory
2. Enter the racing surface only when instructed by a track assistant.
3. These laps will be Lead-Follow only. Always follow the lead car.
4. **THERE IS NO PASSING ALLOWED!** Please keep your place IN LINE. Try to stay 3 to 4 car lengths behind the car ahead. Keep arms inside your car. "Slingshotting" is **not** allowed.
5. **NO MOUNTED CAMERAS** outside of the passenger compartment will be allowed.
6. If a problem occurs, all cars will move to the track apron.

Enjoy your Corvette on the famous Texas Motor Speedway and thank you for being a part of the Lone Star Corvette Classic.

HAVE FUN!!!!

We occupy a unique niche in the security industry. We offer both guard and patrol, and as a result we give service that other companies that offer only one service can't. For example, you can have a guard in the day or evening and supplement that with patrol at night. Companies without patrol can't offer this
